

Sample Input:

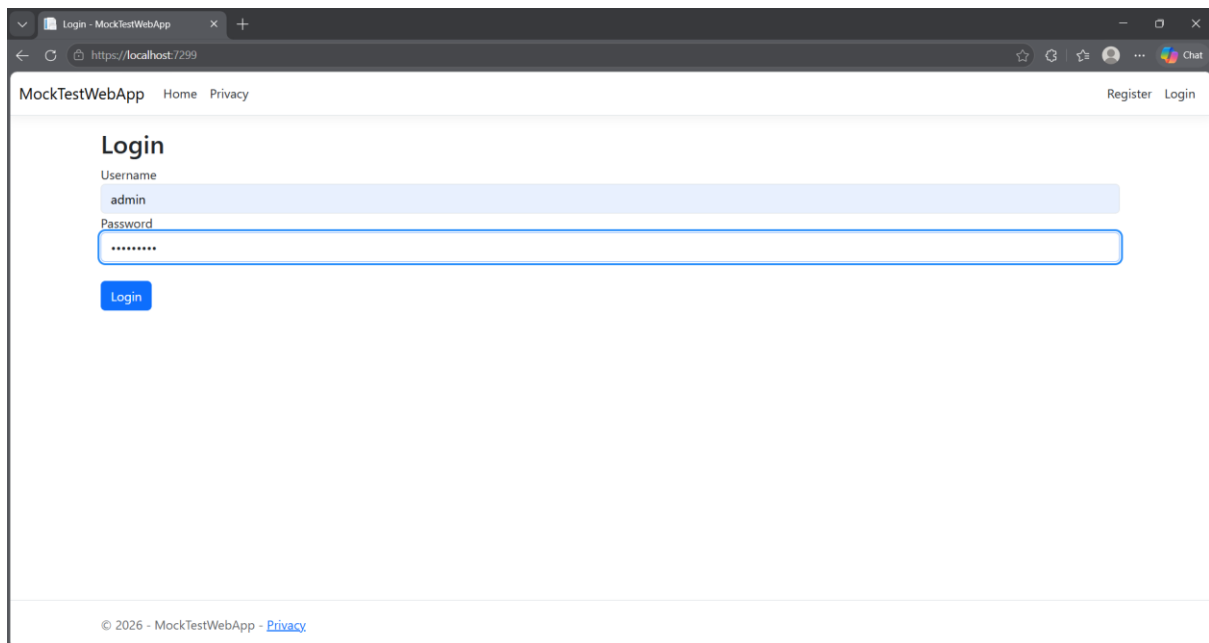

1. User Login:

Username: admin

Password: Admin@123

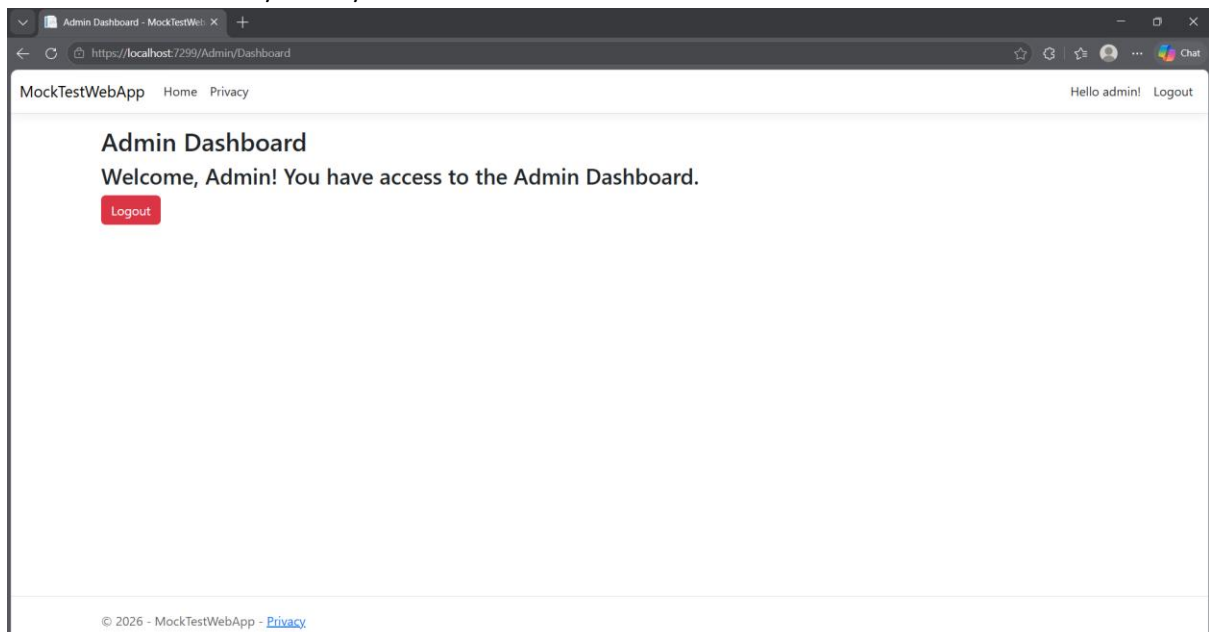

1. Successful Admin Login:

The admin is redirected to the AdminDashboard page with a message: Welcome, Admin! You have access to the Admin Dashboard

A screenshot of a web browser showing the 'Login' page of 'MockTestWebApp'. The browser's address bar shows 'https://localhost:7299'. The page has a navigation bar with 'MockTestWebApp', 'Home', 'Privacy', 'Register', and 'Login'. The main content area is titled 'Login' and contains two input fields: 'Username' with the value 'admin' and 'Password' with masked characters '*****'. Below the password field is a blue 'Login' button. The footer shows '© 2026 - MockTestWebApp - Privacy'.

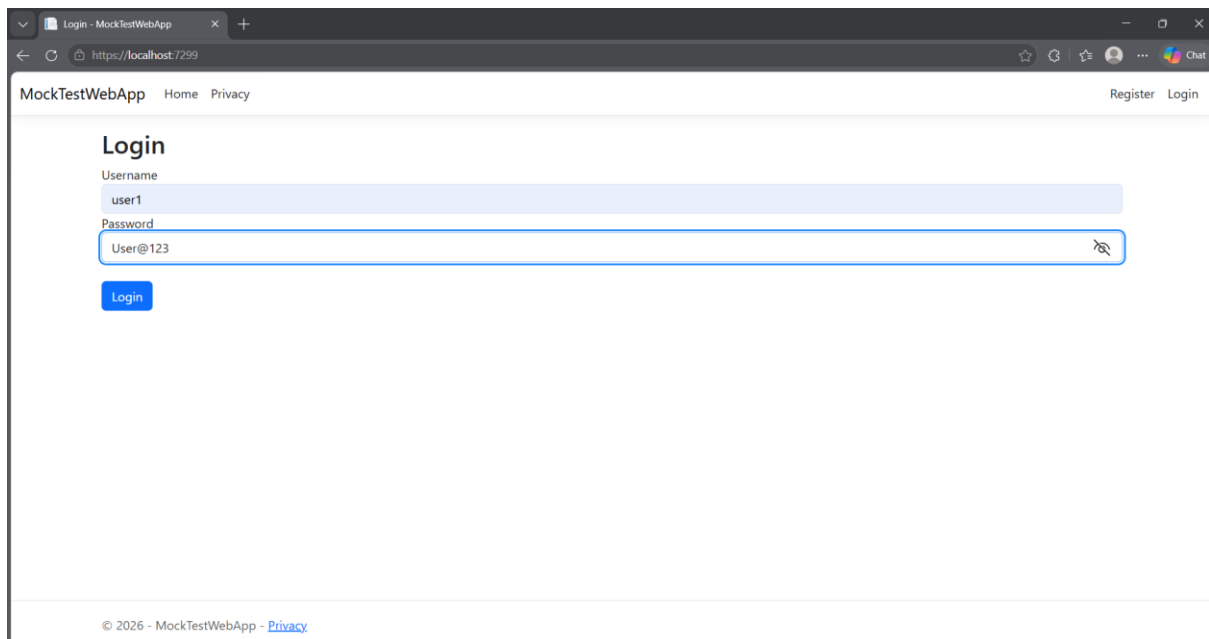

Admin tries to access /Admin/Dashboard

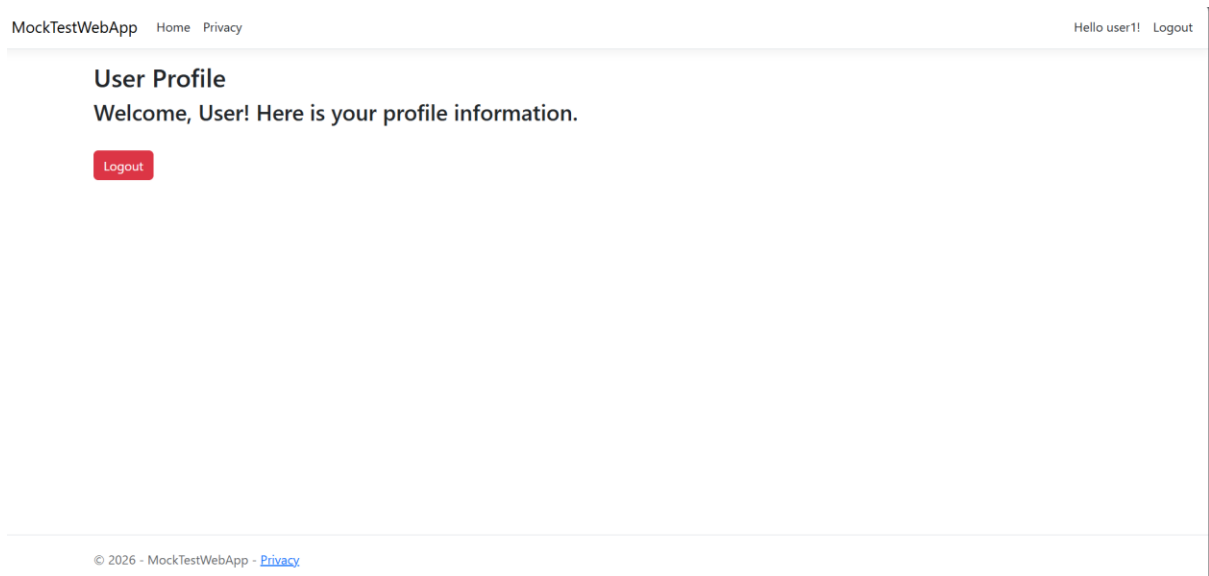

A screenshot of a web browser showing the 'Admin Dashboard' page of 'MockTestWebApp'. The browser's address bar shows 'https://localhost:7299/Admin/Dashboard'. The page has a navigation bar with 'MockTestWebApp', 'Home', 'Privacy', 'Hello admin!', and 'Logout'. The main content area is titled 'Admin Dashboard' and contains the message 'Welcome, Admin! You have access to the Admin Dashboard.' Below the message is a red 'Logout' button. The footer shows '© 2026 - MockTestWebApp - Privacy'.

2. User Accessing Admin Page:

If a user with the User role tries to access /Admin/Dashboard, they should see an error page with the message: Access Denied: You do not have permission to view this page.

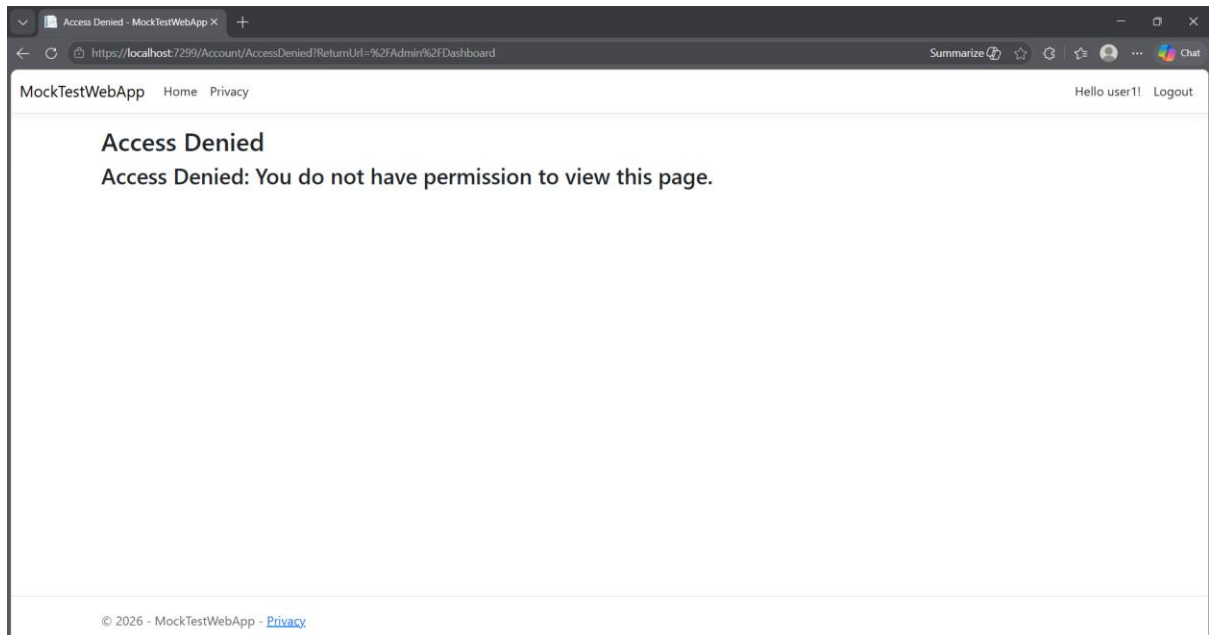

The screenshot shows a web browser window with the title "Login - MockTestWebApp". The address bar shows "https://localhost:7299". The page has a header with "MockTestWebApp", "Home", "Privacy", and "Register Login". The main content area is titled "Login" and contains a form with "Username" (input type="text" value="user1") and "Password" (input type="password" value="User@123"). A blue "Login" button is below the form. The footer shows "© 2026 - MockTestWebApp - [Privacy](#)".

The screenshot shows a web browser window with the title "MockTestWebApp". The address bar shows "https://localhost:7299". The page has a header with "MockTestWebApp", "Home", "Privacy", and "Hello user!! Logout". The main content area is titled "User Profile" and contains the text "Welcome, User! Here is your profile information." and a red "Logout" button. The footer shows "© 2026 - MockTestWebApp - [Privacy](#)".

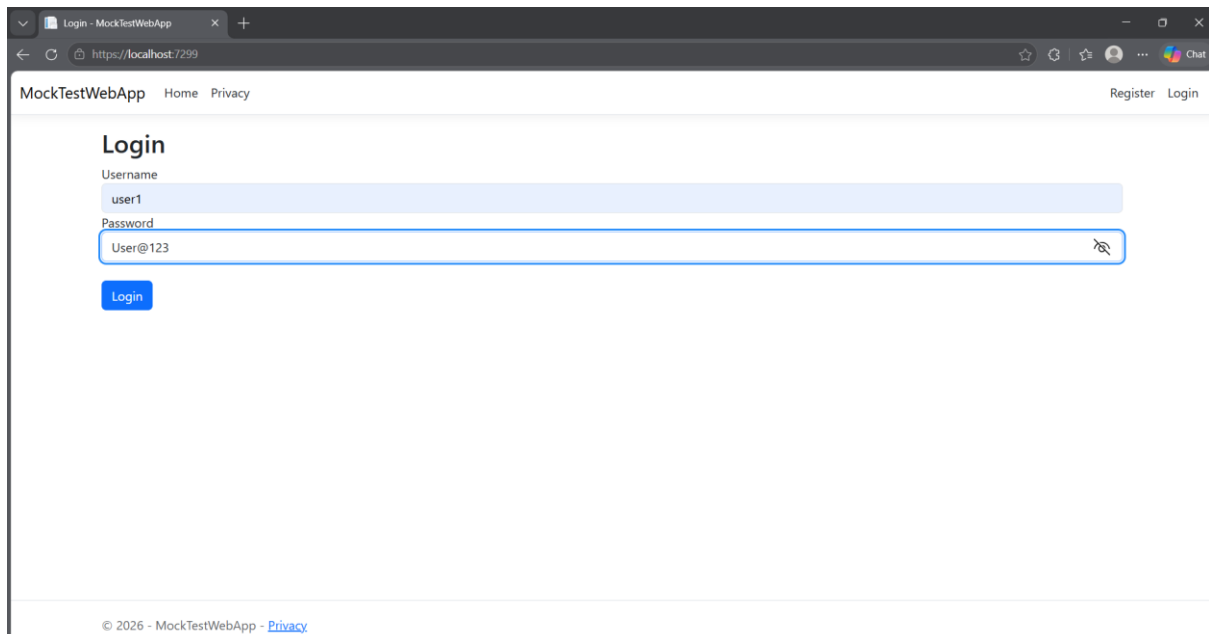

Changed url to /Admin/Dashboard after login to user

/Admin/Dashboard

3. Successful User Login:

The user is redirected to their UserProfile page with a message: Welcome, User! Here is your profile information.

User Profile

Welcome, User! Here is your profile information.

[Logout](#)

I Added a logout button so I can come back out faster
